Dear Sir/Madam:

Applicants have received a request for clarification pertaining to the claims. In response thereto, please accept the following explanation.

Applicants filed the above captioned continuation application accompanied by a preliminary amendment on April 13, 2004. Subsequently, the Patent Office requested a substitute specification in order to conform to 37 CFR 1.52, 1.121(b)(3), and 1.125. Applicants provided a substitute specification, including the originally-filed claims (prior to their amended form) on August 19, 2004.

Applicants apologize for the confusion and attach hereto the claims to be examined, which are the ones included in the preliminary amendment filed April 13, 2004.

The Commissioner is authorized to charge any additional fees or credit any overpayment to Conley Rose deposit account no. 50-3268/5863-00301.
